

Dear Parents, Staff, Students, and Stakeholders:

It is with great pleasure and excitement that I welcome you to the 2020-2021 school year! I am honored to embark upon my 4th year in the role as the Administrative Dean of Forest Heights Academy of Excellence, and I am looking forward to assisting Mr. Jackson with all the great ideas and initiatives at FHAE.

As we continue to witness unprecedented times I am more than confident that the Forest Heights family will rise to the occasion. With new and innovative ways of teaching and learning it is important now more than ever that we as a family work together to give our students the best education experience possible.

The students of Forest Heights are the future, and it takes all of us to be actively involved in their education. I encourage you to help our students to meet and exceed the expectations we have set for them. I am very much looking forward to meeting each of you over the course of the school year when safety permits. Please know my door is always open to help support you and focus on what is best for our students.

Respectfully,

Lesley Green Moncrief, M.Ed
Administrative Dean
